

DEMON SLAYER MINI SAL

HOSTED BY STORY STITCHES

JULY 2022

Welcome and thank you for your support! I am beyond excited to host my very first Ko-fi supporter exclusive SAL. Starting Monday July 4th at 12:01am EST and for the three following Mondays I will drop a small pattern that represents one character from the series for a total of 4.

Here's the basic info for the SAL:

- Each section is 19x42 stitches and can be stitched as a standalone or stitched together to make a full design that is 85x42 stitches.
- Each individual design is full coverage, however if you stitch them all together there is a small gap between each individual pattern (like 3 stitches) where your fabric will show. So, honestly, the fabric color won't really matter much.
- There are 20 colors total. Nothing will need more than 1 skein. The full list and when it first appears can be found below.
